## Be inspired

Explore the town through the eyes of local students through **'The Wakeman Trail'**, a ceramic tile trail across the town bringing to life their interpretation of Shrewsbury's buildings - make the **Pride Hill Centre** your first calling point.

You'll find the two shopping centres nestling at the bottom and perched at the top of Pride Hill, brimming with flagship fashion, jewellery, accessories, gadgets and gifts.

Check out **Green Ginger's** souvenirs, keepsakes and gifts or for inspiration ahead of the new school term, try **Smiggle** in the **Darwin Centre**. Perhaps pick up a CD or vinyl on the way from independent store **Tubeway Records** who specialise in supporting local talented musicians - nothing beats a copy of the real thing in your hand.
